

You can upload a player photo one of two ways:

When you are registering on line:

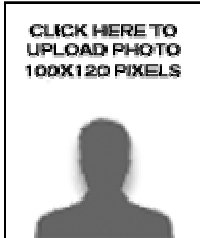

When you are at:

REGISTER (name) as PLAYER:

you will see a box on the left side, you can click on that to upload a picture from your files. Verify information and then SAVE CHANGES.

See example below

Click here to show photo or birth certificate upload 

OR AFTER you complete the on line registration, and you are on the final page you can

CLICK MY ACCOUNT (on the top left corner)

CLICK Family member (edit)

UPLOAD photo from your files. Verify information and then SAVE CHANGES
